

SOFEMA RECEIVES AQAP 2130 CERTIFICATION

Press release

Levallois-Perret, 19th January 2017 - SOFEMA, and its site of La Teste de Buch, obtained last December the AQAP 2130 certification for its activities of storage, repair logistics, as well as the sales of spare parts, aeronautical tires, military equipment and measuring instruments.

This new certification strengthens quality assurance for control in accordance with NATO requirements.

It demonstrates SOFEMA's commitment to continuous improvement initiatives whose primary goal is customer satisfaction.

The AQAP 2130 certificate awarded by Afnor Certification is the third one received by SOFEMA after ISO 9001: 2008 and EN 9120: 2010.
